Karin Riis-Jørgensen, Bill Newton Dunn

Motion for a resolution

Recital B

Motion for a resolution

Amendment

B. whereas gambling activities have traditionally been strictly regulated in all Member States ***on the basis of the principle of subsidiarity***, in order to protect consumers against addiction, fraud, money-laundering and fixed games,

B. whereas gambling activities have traditionally been strictly regulated in all Member States, in order to protect consumers against addiction, fraud, money-laundering and fixed games,

Or.en

Amendment 8

Toine Manders

Motion for a resolution

Recital B

Motion for a resolution

Amendment

B. whereas gambling activities have traditionally been ***strictly*** regulated in all Member States on the basis of the principle of subsidiarity, ***in order to protect consumers against addiction, fraud, money-laundering and fixed games,***

B. whereas gambling activities have traditionally been regulated in all Member States on the basis of the principle of subsidiarity,

Amendment 9
Malcolm Harbour, Salvador Domingo Sanz Palacio

Motion for a resolution
Recital B

Motion for a resolution

B. whereas gambling activities have traditionally been strictly regulated in all Member States *on the basis of the principle of subsidiarity*, in order to protect consumers against addiction, fraud, money-laundering and fixed games

Amendment

B. whereas gambling activities have traditionally been strictly regulated in all Member States, in order to protect consumers against addiction, fraud, money-laundering and fixed games

Amendment 10
Christofer Fjellner

Motion for a resolution
Recital B

Motion for a resolution

B. whereas gambling activities have traditionally been strictly regulated in all Member States *on the basis of the principle of subsidiarity*, in order to protect consumers against addiction, fraud, money-laundering and fixed games,

Amendment

B. whereas gambling activities have traditionally been strictly regulated in all Member States, in order to protect consumers against addiction, fraud, money-laundering and fixed games,

Amendment 11
Eija-Riitta Korhola

Motion for a resolution
Recital B

Motion for a resolution

B. whereas gambling activities have traditionally been strictly regulated in all Member States on the basis of the principle of subsidiarity, in order to protect consumers against addiction, fraud, money-laundering and fixed games,

Amendment

B. whereas gambling activities, ***including online gambling***, have traditionally been strictly regulated in all Member States on the basis of the principle of subsidiarity, ***and some forms of gambling even prohibited, which has been confirmed to be justified in the light of general interest objectives (consumer protection, prevention of fraud and other financial crime, preservation of public order) by the European Court of Justice, if proportionate and non-discriminatory,***

Or.en

Amendment 12
Eija-Riitta Korhola

Motion for a resolution
Recital B a (new)

Motion for a resolution

Ba. whereas all Member States have differentiated such restrictions according to the type of gambling service concerned, such as casino games, sport betting, lotteries or betting on horse-races; whereas the majority of Member States prohibit the operation -including by local operators - of online casino games, and a significant number prohibit in the same way the operation of online sport betting and online lotteries,

Or.en

Amendment 13
Emmanouil Angelakas

Motion for a resolution
Recital B a (new)

Motion for a resolution

Amendment

Ba. whereas all Member States have differentiated such restrictions according to the type of gambling service concerned, such as sport betting and lotteries, as well as according to the means such services are distributed; whereas a significant number of Member States totally and absolutely prohibit the operation – including by local operators - of online sport betting and online lotteries in their respective jurisdictions,

Or.en

Amendment 14
Eija-Riitta Korhola

Motion for a resolution
Recital C

Motion for a resolution

Amendment

C. whereas gambling activities were excluded from the scope of Directives 2006/123/EC (services), 2007/65/EC (audiovisual media services) and 2000/31/EC (electronic commerce),

C. whereas gambling activities were excluded from the scope of Directives 2006/123/EC (services), 2007/65/EC (audiovisual media services) and 2000/31/EC (electronic commerce), ***and the European Parliament voiced its concern at a possible deregulation of gambling in its resolution of 8 May 2008 on the White Paper on Sport,***

Or.en

Amendment 15
Toine Manders

Motion for a resolution
Recital C a (new)

Motion for a resolution

Amendment

Ca. whereas Member States have regulated their traditional gambling markets in order to protect consumers against addiction, fraud, money-laundering and match-fixing; whereas these policy objectives are more difficult to reach in the online gambling sector,

Or.en

Amendment 16
Eija-Riitta Korhola, Marianne Thyssen, Heide Rühle, Othmar Karas, Christel Schaldemose, José Ribeiro e Castro

Motion for a resolution
Recital D

Motion for a resolution

Amendment

D. whereas the Commission has launched infringement procedures against ten Member States in order to verify whether national measures limiting the cross-border supply of online gambling services are compatible with Community law,

D. whereas the Commission has launched infringement procedures against ten Member States in order to verify whether national measures limiting the cross-border supply of online gambling services, **mainly sports betting**, are compatible with Community law, **whereas, as the Commission highlighted, these procedures do not touch upon the existence of monopolies or national lotteries as such, nor do they have any implication for the liberalisation of the gambling markets in general,**

Or.en

Amendment 17
Toine Manders

Motion for a resolution
Recital D

Motion for a resolution

D. whereas the Commission has launched infringement procedures against ten Member States *in order to verify whether* national measures limiting the cross-border supply of online gambling services are *compatible* with Community law,

Amendment

D. whereas the Commission has launched infringement procedures against ten Member States *whose* national measures limiting the cross-border supply of online gambling services *are considered not to be* compatible with Community law,

Or.en

Amendment 18
Markus Ferber

Motion for a resolution
Recital D

Motion for a resolution

D. whereas the Commission has launched infringement procedures against ten Member States *in order to verify whether* national measures limiting the cross-border supply of online gambling services *are compatible* with Community law

Amendment

D. whereas the Commission has launched infringement procedures against ten Member States *and is now formally challenging the compatibility of* national measures limiting the cross-border supply of online gambling services with Community law *in several Member States,*

Or.en

Amendment 19
Malcolm Harbour, Salvador Domingo Sanz Palacio

Motion for a resolution
Recital D

Motion for a resolution

D. whereas the Commission has launched infringement procedures against ten

Amendment

D. whereas the Commission has launched

Member States *in order to verify whether* national measures limiting the cross-border supply of online gambling services *are compatible* with Community law,

infringement procedures against ten Member States *and is now formally challenging the compatibility of* national measures limiting the cross-border supply of online gambling services with Community law *in several Member States*,

**Amendment 31
Malcolm Harbour**

**Motion for a resolution
Recital G**

Motion for a resolution

Amendment

G. whereas online gambling *combines several risk factors related to* problem gambling, *such as, among others, easy access to gambling, the availability of a variety of games and fewer social constraints,*

G. whereas *the advent of* online gambling *has raised concerns about* problem gambling, *existing prevalence studies have shown no increase in problems associated with gambling despite the increasing popularity of online gambling,*

Amendment 32
Andreas Schwab

Motion for a resolution
Recital G a (new)

Motion for a resolution

Amendment

Ga. whereas the provision of gambling services is an economic activity which falls within the scope of the fundamental freedoms under the EC Treaty, in particular the freedom of establishment and the freedom to provide services, and which may be restricted only when permitted under the derogations specifically provided for in the EC Treaty or justified by overriding reasons of public interest,

Or.de

Amendment 33
Toine Manders

Motion for a resolution
Recital G a (new)

Motion for a resolution

Amendment

Ga. whereas online sports betting activities have developed in an uncontrolled manner, in a growing number of match-fixing and to the coming to light of betting-related scandals in the Member States, threatening the integrity of sport,

Or.en

Amendment 34

Jacques Toubon, Eija-Riitta Korhola, Ivo Belet, Christel Schaldemose

Motion for a resolution

Recital G a (new)

Motion for a resolution

Amendment

Ga. whereas sports betting activities and other online games have developed rapidly and in an uncontrolled manner (particularly cross-border on the Internet) the ever present threat of match-fixing and the phenomenon of “lay bets” on specific events in sports matches makes sports particularly vulnerable to illegal betting behaviour,

Or.en

Amendment 35

Eija-Riitta Korhola

Motion for a resolution

Recital G a (new)

Motion for a resolution

Amendment

Ga. whereas Europol reports that gambling schemes are quite a widespread modus operandi to launder money, an increasing trend, with organised crime groups also making their way directly into the gambling world by buying companies in this field; whereas also the Financial Action Task Force (FATF) reported that Internet gambling might be an ideal web-based “service” to serve as a cover for a money laundering scheme through the net,

Or.en

Amendment 36
Eija-Riitta Korhola

Motion for a resolution
Title 1

Motion for a resolution

A transparent **market** that safeguards the public and consumer interests

Amendment

A transparent **sector** that safeguards the public and consumer interests

Or.en

Amendment 37
Christel Schaldemose

Motion for a resolution
Paragraph 1

Motion for a resolution

1. Highlights that, in accordance with the principle of subsidiarity, Member States have a legitimate interest in monitoring and regulating their gambling markets in order to protect consumers against addiction, fraud, money-laundering and fixed games as well as to protect the culturally-built funding structures which finance sports activities and other social causes in the Member States; underlines that online gambling operators should comply with the legislation of the Member State in which they provide their services;

Amendment

1. Highlights that, in accordance with the principle of subsidiarity, Member States have a legitimate interest in monitoring and regulating their gambling markets in order to protect consumers against addiction, fraud, money-laundering and fixed games as well as to protect the culturally-built funding structures which finance sports activities, other social causes **and civil society needs** in the Member States; underlines that online gambling operators should comply with the legislation of the Member State in which they provide their services;
