**DIRECTORS' REPORT**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

The directors present this report and the audited financial statements of the Company for the year ended 31 December 2021.

**Results and dividends**

The profit for the financial year, after taxation, amounted to £2,091k (2020: £4,099k) and was above Group expectations. No dividends were paid during the year (2020: NIL).

**Directors**

The directors of the Company who were in office during the year and up to the date of signing the financial statements were:

D Zruia  
M R Winton  
D F Simpson – a non-executive director

**Disclosure of information to auditors**

The directors confirm that:

- as far as each director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

**Statement of directors' responsibilities in respect of the Financial Statements**

The directors are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

**PLUS500UK LTD**

**DIRECTORS' REPORT (continued)**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are also responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

**Strategic report**

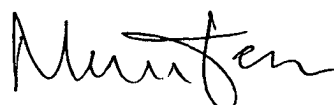

In accordance with section 414C(11) of the Companies Act 2006 the Company has chosen to include a Strategic Report as required by schedule 7 of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008.

Future prospects of the Company and details around the firm's Risk Management are included in the Strategic Report.

**Independent Auditors**

PricewaterhouseCoopers LLP are deemed to be reappointed under section 487(2) of the Companies Act 2006.

## PLUS500UK LTD

### STRATEGIC REPORT

#### FOR THE YEAR ENDED 31 DECEMBER 2021

---

##### **Principal activities**

Plus500UK Ltd (the "Company" or "Firm") was incorporated in September 2009 and became authorised and regulated by the Financial Conduct Authority (FCA, previously known as the Financial Services Authority) in June 2010.

Our parent Company, Plus500 Ltd ("Plus500" or "Group"), was admitted to trading on the AIM market of the London Stock Exchange on 24 July 2013 and on 26 June 2018, its shares were admitted to the premium listing segment of the Official List of the London Stock Exchange and to trading on the London Stock Exchange PLC's Main Market for listed securities, subsequently joining the FTSE250 index.

The principal activity of the Company is online trading in Contracts for Difference (CFDs) delivered through a proprietary trading platform via the web and other electronic channels. The Company enables retail and professional customers to trade CFDs in over 2,500 underlying global financial instruments comprising equities, exchange-traded funds (ETFs), foreign exchange, indices, options and commodities. The trading platform is accessible from multiple operating systems (Windows, iOS and Android, web browsers, smartphones & tablets).

Customer care is and has always been integral to Plus500, as such, customers cannot be subject to negative balances. A free demo account is available on an unlimited basis for platform users and sophisticated risk management tools are provided free of charge to manage leveraged exposure, and stop losses to help customers protect profits, while limiting capital losses. Plus500 does not utilise cold calling techniques, nor does it have a Sales desk like many firms within the sector.

##### **Business review and future prospects**

Customer activity remained high despite the unprecedented, pandemic-led trading conditions of 2020 diminishing. As a result of the Group's continued investment in product and system improvements, this has led to a greater customer-centric approach with further app enhancements, including the new "look and feel" of the user interface and new educational tools. Further implementation of Google Cloud services enabled the Firm to increase its system scalability allowing the Firm to successfully manage high levels of platform usage which continued during 2021.

The Company continues to be confident about the outlook for the business, with the Group remaining well positioned to deliver sustainable growth over the medium to long term. Plus500 continues to invest in marketing technology to drive market share and to drive brand awareness.

*The Company remains debt free with substantial cash resources and is in a strong position to achieve success during 2022 and beyond.*

##### **Key performance indicators (KPIs)**

The directors of the Company believe that analysis using key performance indicators is not necessary or appropriate for an understanding of the performance or position of the Company's business. The KPIs which our parent company, Plus500 Ltd., is using to manage the Group's operation are discussed in its annual report.

PLUS500UK LTD

STRATEGIC REPORT (continued)

FOR THE YEAR ENDED 31 DECEMBER 2021

---

**Risk management**

The principal activities of the Company outlined in note 2 give rise to financial risks in the ordinary course of business. The Company undertakes activities to mitigate its risks. The Company appropriately assesses, mitigates and manages the risks the Company believes have the potential to have a significant detrimental impact on its financial performance.

The board sets the strategy and policies for the management of these risks and assigns the management and monitoring of these risks as appropriate. The main financial risks arising from the Company's business activities are identified as market risk, operational risk, capital risk, liquidity risk and credit risk. The management of these risks is explained in note 6.

The Company manages its market risk by hedging all of its positions back-to-back with its parent company (Plus500 Ltd).

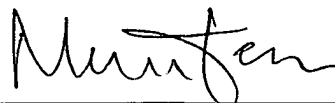

**Section 172 (1) Statement**

The Board is conscious of its obligations to act in a way that promotes the success of the Company for the benefit of its members as a whole, having regard, among other matters, to the likely long-term consequences of any decisions, the interests of the company's employees and the fostering of its business relationships. A further requirement set out in Section 172 of the Companies Act 2006 regarding the desirability of the company maintaining a reputation for high standards of business conduct is entirely in line with its regulatory obligations and the Board ensures that this remains at the forefront of its dealings with customers.

**Climate Change**

Given the nature of the Company's business and operations, we do not consider the impact of climate change on the Company to be significant in this reporting period.

PLUS500UK LTD

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PLUS500UK LTD

FOR THE YEAR ENDED 31 DECEMBER 2021

---

**Report on the audit of the financial statements**

**Opinion**

In our opinion, Plus500UK Ltd's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2021 and of its profit and cash flows for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the Statement of Financial Position as at 31 December 2021; the Statement of Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Independence**

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

**Conclusions relating to going concern**

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**PLUS500UK LTD**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PLUS500UK LTD (continued)**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

**Reporting on other information**

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and the Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

**Strategic report and the Directors' Report**

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and the Directors' Report for the year ended 31 December 2021 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and the Directors' Report.

**Responsibilities for the financial statements and the audit**

**Responsibilities of the directors for the financial statements**

As explained more fully in the Statement of directors' responsibilities in respect of the financial statements, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

## PLUS500UK LTD

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PLUS500UK LTD (continued)

#### FOR THE YEAR ENDED 31 DECEMBER 2021

---

##### **Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the company and industry, we identified that the principal risks of non-compliance with laws and regulations related to corporation tax legislation, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the financial statements such as the Companies Act 2006. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to recording of journals. Audit procedures performed by the engagement team included:

- Enquiries of management in relation to known or suspected non-compliance with laws and regulations and fraud;
- Identifying and, where relevant, testing journal entries;
- Review of correspondence with regulators in so far as it was related to the financial statements; and
- Incorporated unpredictability into the nature, timing and/or extent of our testing.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

##### **Use of this report**

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

PLUS500UK LTD

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PLUS500UK LTD (continued)

FOR THE YEAR ENDED 31 DECEMBER 2021

---

**Other required reporting**

**Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

**PLUS500UK LTD**

**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

**1. General information**

Plus500UK Ltd (the Company) is a company limited by shares, incorporated in England and Wales. Its registered office is 8 Angel Court, Copthall Avenue, London EC2R 7HJ, England.

**2. Principal business activity**

The principal activity of the Company is online trading in Contracts for Difference ("CFDs") delivered through a proprietary trading platform via the web and other electronic channels.

**3. Ultimate parent undertaking and controlling party**

The ultimate parent undertaking and controlling party is Plus500 Ltd, a company incorporated in Israel and quoted on the London Stock Exchange (PLUS.L), by virtue of its 100% shareholding in the Company. Copies of Plus500 Ltd's consolidated financial statements can be obtained from Plus500 Ltd's Secretary at Building 25, Matam, Haifa 31905, Israel.

**4. Summary of significant accounting policies**

**Going Concern**

The Financial Statements have been prepared on a going concern basis.

**Statement of compliance**

The individual Financial Statements of the Company have been prepared in accordance with Financial Reporting Standard 102 (FRS 102) and the Companies Act 2006.

**Basis of accounting**

The Financial Statements have been prepared under the historical cost convention using the accrual basis, as modified by the revaluation of certain financial assets and financial liabilities which were measured at fair value through profit or loss.

**Presentation currency**

The Financial Statements are presented in Pounds Sterling.

**Turnover**

Turnover is measured at net consideration received / paid on all realised positions and net fair market value of open CFD positions with clients and all other counterparties, including overnight charges and credits.

The recognition of income results directly from the recognition and measurement of assets and liabilities in accordance with FRS 102 section 2.41. Turnover is recognised on financial assets and liabilities on an aggregate basis by each asset class to determine the net gain or loss for that asset class in accordance with FRS 102 section 11.48. CFD positions are viewed as a single asset class.

**Distribution costs**

Distribution costs are classified as those costs directly associated with the completion of CFD trades by the Company.

PLUS500UK LTD

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2021

---

4. Summary of significant accounting policies (continued)

**Pension costs**

The Company contributes to a defined contribution pension scheme and the pension charge represents the amounts payable by the Company to the fund in respect of the year. The assets of the scheme are held separately from those of the Company in an independently administered fund.

Pension costs are recognised when they become payable to the pension scheme on behalf of the employee as a result of contractual obligations.

**Operating lease agreements**

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

**Corporation Tax**

Taxation expense for the period comprises current tax recognised in the reporting period. Tax is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case tax is also recognised in other comprehensive income or directly in equity respectively.

Current tax is the amount of income tax payable in respect of the taxable profit for the year or prior years. Tax is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the period end. The Company's management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Taxes on income in the periods are accrued using the tax rate that would be applicable to expected total annual profit or loss. Current taxation assets and liabilities are not discounted.

**Foreign currencies**

Transactions denominated in foreign currencies are recorded at the rates of exchange ruling at the dates of the transactions, or at an average rate for the period if the rates do not fluctuate significantly. Monetary assets and liabilities are translated at year end exchange rates or, where appropriate, at rates of exchange fixed under the terms of the relevant transaction. The resulting exchange rate differences are charged to the profit and loss account and included within finance costs.

**Cash and cash equivalents**

Cash and cash equivalents comprise cash held at financial institutions and short-term deposits that are readily convertible to a known amount of cash and are subject to an insignificant risk to changes in value.

**Measurement of fair value**

The Company measures fair value at quoted market price in an active market or at nominal value of contractual obligation. Financial instruments held at fair value are classified as level 1 in accordance with FRS 102 section 34.22.

PLUS500UK LTD

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2021

---

4. Summary of significant accounting policies (continued)

**Financial Instruments**

The Company enters into both basic financial instruments, such as trade and other accounts receivable and payable, and complex financial instruments, such as CFDs.

(i) Basic financial instruments

Basic financial instruments, as defined in FRS 102 section 11, will initially be recognised at the transaction price (including transaction costs). Subsequent measurement will be at the amortised cost of the financial instrument using the effective interest rate method.

(ii) Other financial instruments

Other financial instruments (complex financial instruments), as defined in FRS 102 section 12, will initially be recognised at fair value (including transaction costs). Subsequent measurement will be at the fair value of the financial instrument recognising changes in fair value as profits or losses.

(iii) Equity instruments

The Company recognises the issue of shares and other equity instruments as equity when it issues those instruments and another party is obliged to provide cash or other resources to the Company in exchange for the instruments.

On the issue of shares or other equity instruments, the Company measures the equity instruments at the fair value of the cash or other resources received or receivable, net of direct costs of issuing the equity instruments, in accordance with FRS 102 section 22.

Equity instruments are not re-measured following initial recognition.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled; or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party; or (c) despite having retained some significant risks and rewards of ownership, control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

PLUS500UK LTD

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2021

---

4. **Summary of significant accounting policies** (continued)

**Related party transactions**

Under the exemption 33.1A 'Related Party Disclosures' within FRS 102, the Company has chosen not to disclose transactions with related parties on the basis that related party transactions are primarily with members of the group and disclosed within the group financial statements.

Transactions with related parties other than with members of the group are disclosed within note 23.

**Provisions**

Provisions are recognised when the Company has a legal or constructive obligation at the reporting date as a result of a past event, it is probable that the Company will be required to settle the obligation and the amount of the obligation can be reliably estimated.

Provisions are recognised at the best estimate of the amount required to settle the obligation at the reporting date.

5. **Judgements and key sources of estimation uncertainty**

No significant judgements nor estimations have had to be made by management in preparing these Financial Statements.

6. **Risks and risk management**

The principal activities of the Company outlined in note 2 gives rise to financial risks in the ordinary course of business. Whilst risk management is performed at a group level, the Company undertakes activities to mitigate its risks. The Company's Internal Capital Adequacy Assessment Process (ICAAP) provides an ongoing assessment of the risks the Company believes have the potential to have a significant detrimental impact on its financial performance.

The board of directors sets the strategy and policies for management of these risks and assigns management and monitoring of these risks as appropriate.

The primary financial risks arising from the Company's business activities are identified as operational risk, capital risk, liquidity risk, market risk and credit risk. These risks are detailed below.

**Operational risk**

Operational risk is the risk of financial loss due to inadequate or failed internal processes and systems. It can also arise from human error or external events that the Company cannot influence.

The management of the Company have designed and implemented a system of internal controls to manage, rather than eliminate, operational risk. These internal controls are reviewed on an annual basis or sooner if specific events dictate.

PLUS500UK LTD

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2021

6. Risks and risk management (continued)

**Capital risk**

The Company manages its capital resources on the basis of regulatory capital requirements (Pillar 1) and its own assessment of capital required to support all material risks throughout the business (Pillar 2). The Company manages its regulatory capital through an Internal Capital Adequacy Assessment Process (known as the ICAAP) in accordance with guidelines and rules implemented by the FCA.

**Liquidity risk**

Liquidity risk is the risk that the Company will be unable to make the required payments on its debt obligations as and when they fall due. The Company's liquidity risk will increase as the level of cash held on deposit with banks and financial institutions decreases relative to its obligations.

The Company, at all times, holds such funds or make arrangements to have access to such funds enabling it to meet all of its obligations in a timely manner. Due to the high level of cash and cash equivalent reserves held by the Company in comparison to its liabilities, no additional sources of funds are currently deemed necessary.

FOR THE YEAR ENDED 31 DECEMBER 2021

6. Risks and risk management (continued)

**Credit risk**

Credit risk is the risk of a financial loss to the Company arising from a counterparty's failure to pay or otherwise meet a financial obligation. The risk includes loss of principal, disruption to cash flows and increased collection costs. The Company's credit risk stems from two sources:

- (i) Customers;
- (ii) Banks and financial institutions.

Customers:

The company operates a margin system whereby clients deposit cash upfront prior to trading to be used as collateral against possible losses. Should a client's net equity position fall below the required maintenance margin, which is required to keep their positions open, and the client does not provide additional margin to cover their position, the client's position will be liquidated until the remaining net equity position exceeds the required maintenance margin.

Banks and financial institutions:

The Company holds accounts in several banks and financial institutions to facilitate the collection and payment of funds from/to customers and other counterparties. An account with a bank or a financial institution will only be opened after suitable checks have been made to assess the risk level of that entity. Those assessments are reviewed annually.

The maximum exposure to credit risk at the reporting time is the fair value of derivative assets, cash deposits, prepayments and other debtors at the balance sheet date. Credit risk of derivative assets is mitigated by cash collateral held (maintenance margin). Credit risk of institutions holding cash deposits is mitigated by depositing cash within financially sound institutions. As at 31 December 2021 no amounts are past due or impaired (2020: £nil).

Maximum exposure to credit risk	31 Dec 2021	31 Dec 2020
	£'000	£'000

No ratings presented for financial derivatives as these are fully collateralised.

**Market risk**

Market risk is the risk that the value of a financial instruments will change due to adverse moves in market factors.

The Company hedges all of its positions back-to-back with its parent company (Plus500 Ltd) and therefore the Company is not exposed to any market risk.

PLUS500UK LTD

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2021

7. **Turnover**

The Company's income is derived from trading in CFDs as principal which, for the purposes of segmental analysis, is considered by the directors to be a single global market.

8. **Distribution costs**

Non-financial liabilities	0	0
Total liabilities	<u>31,749</u>	<u>33,761</u>

The directors believe that the carrying value of the Company's financial instruments approximates their fair value.

23. Related party transactions

During the year the Company paid DFS Business Services Ltd, a company owned by Mr. D F Simpson, a non executive director of the Company, £35k (2020: £28k) for services rendered. There were no amounts outstanding to or from the Company at the year ended 31 December 2021 (2020: nil).

24. Client money

The company holds client money under Financial Conduct Authority (FCA) rules - CASS chapter 7. Such monies and corresponding amounts due to clients are not shown on the face of the balance sheet as the Company is not beneficially entitled thereto. In accordance with CASS, all client cash is segregated and reconciled on a daily basis.

PLUS500UK LTD

NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 DECEMBER 2021

---

**25. Capital resources**

The Company's capital resources are managed and monitored in accordance with the regulatory capital requirements of the FCA. The Company's capital resource requirement is calculated according to the FCA rules that apply to a IFPRU €125k limited licence firm.

The Company's capital management objectives are:

- To ensure the Company's ability to continue as a going concern; and
- To meet regulatory capital requirements at all times.

The Company's capital objectives are primarily met by managing the business risks that the Company faces on a regular basis. There have been no changes in the Company's methodology for managing capital during the year.

Regulatory eligible capital comprised of share capital and audited retained earnings. As at 31 December 2021 the eligible capital was £43,874k (2020: £41,783k).

The Company has surplus cash as at the reporting date, and it has adequate forecast financial resources in order to meet its liabilities as they fall due.

**26. Post balance sheet events**

The Company has evaluated the effects of post balance sheet events and found there have been no events that would require recognition or disclosure in the Financial Statements.
